## Hexham to Bellingham and Kielder

Operating by Snaith's Travel

Telephone: **01830 520 609**

Tuesdays, Fridays and Saturdays

The Kielder bus service means you can discover Kielder Water & Forest Park without having to use your car. The convenient service runs on Tuesdays, Fridays and Saturdays from Hexham bus station to Kielder Castle twice daily, all year round. For those travelling from further afield, it offers a direct link from the Newcastle – Carlisle 685 bus service, and the Tyne Valley rail line (Hexham Station).

For your convenience the bus is equipped to carry up to three bikes. Passengers wishing to transport bikes are advised to call to book this service in advance (tel. 01830 520609). In the Kielder Water & Forest Park area (between Tower Knowe and Kielder Castle) the bus runs on a hail and ride basis; so you can hail the bus and it will stop wherever it is safe to do so, giving you the freedom to explore Kielder Water & Forest Park in greater detail.
